Beauty of Change

Pastor Joel Dombrow
February 12, 2017

1. Change impacts all of us differently. Can you think of a time in your life where you were excited about a particular change... but someone else wasn't?
2. While God is described as changeless (Mal. 3:6a; Heb. 13:8; Matt. 24:35; Ps. 33:11), change and transformation are central to the Christian faith. Explain why you think this is so.
3. On a scale of 1-10, where would you place yourself in terms of your capacity to handle change? How do you feel when something important to you changes? (ex: anxiety, fear, loss, etc.)

4. In the midst of an ever-changing world – and with 87% of American churches either stagnant or in decline – why do you think so many churches resist change?

5. Talk through the “Growth Cycle” (below) as a group.

Healthy things grow
Growing things change
Change challenges us
Challenge forces us to trust God
Trust leads to obedience
Obedience makes us healthy
Healthy things grow...

What is one area in your life that could be an opportunity for you to let go and trust God in your life right now?
